WHO ARE WE?

“

Zefyr Institute of Aviation, Hospitality, Tourism and Management is a skill-based training institute, located in Salugara, Siliguri. It is led by industrial experts of immense experience in this field. Through our knowledge and enormous industry experience, we prepare the aspirants for global careers in the shining and stellar aviation, hospitality and tourism industry. Not only does the Zefyr Institute ignite an individual's zeal and inner fire, but also enables one with all-round development and empowers with a job and a reputable career with high progress. In Zefyr, we not only personally take care of the students, but also educate them in the best possible way, which is at par with global standards. We allow our students to undergo rigorous training and enable them to acquire skill-based knowledge.

With 100 percent placement assistance, we believe in transformation and qualitative technical education for students. Grab the chance to learn the best from the best and be prepared to rise above and beyond.
